Peace and Plenty

POVERTY destroys a man's courage and weakens his natural inclination to look you in the eyes and tell the truth. MONEY is the counter in this game of life. And while we do not love money for its own sake, we realize that it is only money that can ward off want, woe, wretchedness—perhaps starvation—when earning power is gone. And earning power, for all of us, will surely go sometime—this we all know. MONEY stands between you and the fear of want. SAVING Accounts can be started with any amount from \$1 upward. This Bank invites your business and extends best wishes for you and yours a Merry Christmas.
